**1999 MARLBORO MILES FOR ADMISSION**  
**Weekly Report for week of 06.14.99**

**Financial:** EMI has rebilled Philip Morris for the adjusted venue overhead expenses through 07.15.99 per Philip Morris guidelines. We are currently rebilling Philip Morris for Artist balances through July 30<sup>th</sup>.

**Talent:** Smashmouth has developed scheduling conflicts with five dates. EMI is currently in discussions with CAA regarding these dates. We are waiting for a response from Eddie Griffin's agent regarding moving dates to accommodate Smashmouth. We will be extending an offer to the Mighty Mighty Bosstones for the July 20 & 21 shows, which Smash Mouth will not be able to do. EMI is in daily contact with the Road Managers regarding the first round of shows.

**Venues:** All GMM's have been instructed to schedule preliminary meetings with their venue contacts to go over the program expectations. A promotion reminder fax will be sent to each venue at least one week prior to each event. EMI is currently sending out a fax reiterating the program guidelines including press, media and advertising to all venues. In Atlanta, The Dark Horse Tavern has agreed to pick up Soul Asylum's show on September 22<sup>nd</sup> originally scheduled for the Chameleon Club. The Magic Bag in Detroit has agreed to pick up Mill Street's July 29<sup>th</sup> Smash Mouth date. We hope to have the Seattle changes solidified today

**Catering:** EMI needs to discuss caterer payment program and rebilling procedures with PM. The caterer is in immediate need of cookbooks to distribute to local market caterers.

**Materials:** The GMM's should receive uniforms, hats & guitars this week. We have shipped the first batch of wristbands from EMI & have ordered an additional 45,000 due to the fact that we will be wristbanding all redeemers, guests & guest list patrons. PM will be shipping updated media cards to EMI Chicago, roughly 100/market.
